Notes on Film # 101760520: Seldovia, Kenai Peninsula, Alaska

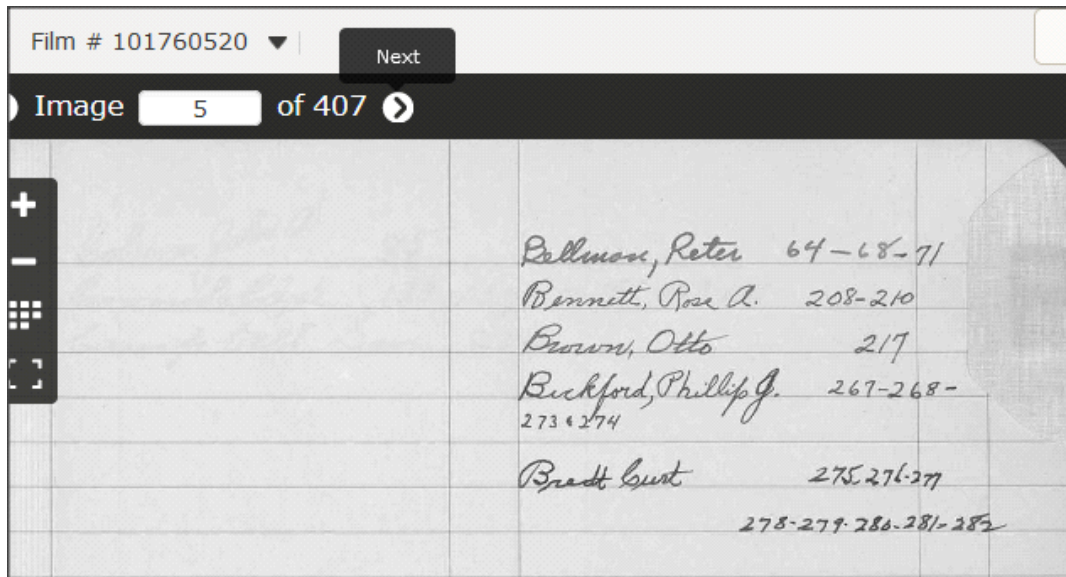

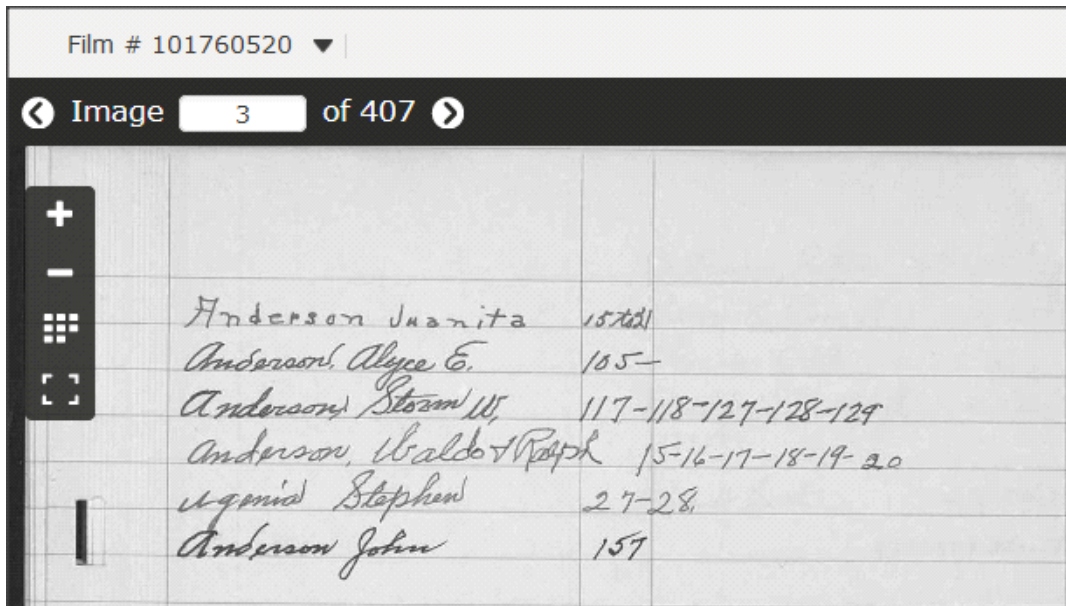

These files are Estate Records which also contain some Coroner Information. Basically the Information is Financial, being the sale of Property, Notices to Creditors, and other Goods. The Indexes are hand written, the File Papers are Typewritten for the most part.

The Files for the Records start with Image 57 and continue to the end of the Roll: 407.
