# APL's EXPANDED ALASKA-FAR EAST SERVICE.

American President Lines, Ltd. offers a complete Alaska-Far East refrigerated container service. In addition to weekly service at Dutch Harbor, we call on a regular but flexible schedule every 7 to 14 days at Kodiak.

Fish and crab processors in Bristol Bay and the South Aleutian Chain are served by dedicated tug and barge service to link with our containership calls at Kodiak and Dutch Harbor.

The feeder service operates from Nushagak, NakNek, Egegik, Port Moller, Chignik, Sand Point, King Cove and False Pass. Processors in these areas can benefit from APL's hi-cube units that provide 2,100 cubic feet of useable, interior

space. And a week after leaving Kodiak and Dutch Harbor the refrigerated units carrying crab, salmon and bottom fish are delivered to customers in Japan.

Call APL offices for further information about our complete refrigerated container service. We've made a commitment to Alaska — and it gets stronger all the time.

## Service with a Smile

National Bank of Alaska is an expert in serving the financial needs of the Kodiak Community.

In addition to checking and savings accounts, money market certificates and safe deposit boxes — we provide a wide variety of loans: commercial boat loans, home mortgages, real estate financing, auto loans and other consumer loans.

Our full-service banking is available across the state at our 34 offices. And your deposits are insured by the Federal Deposit Insurance Corporation.

### WE BELIEVE . . .

. . . the Bible is the inspired and only infallible and authoritative written Word of God.

. . . there is one God, eternally existent in three persons: God the Father, God the Son, and God the Holy Ghost.

. . . in the deity of our Lord Jesus Christ, in His virgin birth, in His sinless life, in His miracles, in His vicarious and atoning death, in His bodily resurrection, in His ascension to the right hand of the Father, in His personal future return to this earth in power and glory to rule a thousand years.

. . . in the Blessed Hope—the rapture of the Church at Christ's coming.

. . . the only means of being cleansed from sin is through repentance and faith in the precious blood of Christ.

. . . regeneration by the Holy Spirit is absolutely essential for personal salvation.

. . . the redemptive work of Christ on the cross provides healing of the human body in answer to believing prayer.

. . . the baptism in the Holy Spirit, according to Acts 2:4, is given to believers who ask for it.

. . . in the sanctifying power of the Holy Spirit by whose indwelling the Christian is enabled to live a holy life.

. . . in the resurrection of both the saved and the lost, the one to everlasting life and the other to everlasting damnation.
