

Bethel Census 1920

United States Census, 1920
 Alaska Second Judicial District
 Wade Hampton ED 5
 Enumerator: Mrs. Connie Call
 Enumerated on January 7 1920

For village names and judicial divisions go to
<https://www2.census.gov/library/publications/decennial/1940/population-volume-1/33973538v1ch11.pdf>

I left out a few columns to give breathing space to the columns most people will find interesting. For the other columns go to the PDF of the original scan. The columns I omitted are as follows:
 1) Street 2) Home number 7) Home owned or rented 8) If owned, free or mortgaged 18) Can write 20) Mother tongue 22) Mother tongue 24) Mother tongue 27) Industry 28) Employer or wage
 29) Number of Farm workers

I welcome corrections.
 If you can't find the original scans online contact me.
