# Mr. Northerner

When you get through chasing the Rainbow and the pack each year is getting heavier, don't you think it is time for you to get a little home where you can spend the rest of your days on a little piece of alder land where you can keep a cow or two, chickens, hogs, a horse and grow fruits of all varieties.

For information write to us and we will send you a circular of different farms that we have for sale. Also if you wish to invest in logged off lands we have several hundred acres averaging from \$15.00 to \$35.00 per acre.
